Declaration of approval

I expressly declare that I comply with the principles of fair and correct competition, the correct handling of customer situations and the provisions of data protection law, in particular the professional principles and codes of conduct issued by the competent umbrella organization in my professional conduct. With my legally binding signature, I declare that I undertake to notify you of any change in the information provided by the certification body in the application procedure and agree to monitor compliance with the obligations I have assumed, the value of the documents I submit and the circumstances of the professional activity on site allow.

By signing this document, I expressly agree that my application and certificate data may be kept in evidence and stored until my revocation.

Date and legally binding signature of the applicant
